

Part-M Workshop

Date:

06 Sep 2007

Description

DGAC (Direction Generale de l'Aviation Civile)

50, rue Henry-Farman

75720 Paris Cedex 15, France

'Revised Part-M requirements for aircraft not involved in commercial air transport.'The

objective of the workshop is to explain to the General Aviation community the changes to Part-M envisaged by CRD 07/2005 (published on 30/04/2007) and NPA 2007-08 (published on 25/06/2007). These envisaged changes are focused on the General Aviation community, including industry, organisations, stakeholders, pilot owners and flying associations and they are aimed to adapt the regulation to the specific needs of this aviation sector.
