European Union Aviation Safety Agency

# OSC Workshop (Operational Suitability Certificate)

**Date:**

**02 Dec 2008**

## Location

**Jugendherberge Köln-Deutz**

Siegesstraße 5,

50679 Cologne, Germany

Website

## Description

BARCELONA Conference Room

The objective of the workshop is to communicate on the contents of the upcoming Notice of Proposed Amendment on changes to Part 21 related to the Operational Suitability Certificate and Safety Directives:

- the new regulatory framework for the operational evaluation of a given aircraft type and type of operation (rulemaking task 21.039);
- difference between the previous Joint Operational Evaluation Board (JOEB) and new system in terms of scope and applicability;
- introduction of a new concept 'Operational Suitability Certificate';
- how OSC affects aircraft (Supplemental) Type Certificate holders/applicants;
- how OSC affects operators, crew, maintenance certifying staff and training organisations;
- how OSC affects National Aviation Authorities;
- the new Safety Directives concept.
