Description

BARCELONA Conference Room

Objective: Explain the concrete implications of the entry into force (foreseen for the forthcoming weeks) of the EC/Canada BASA. In particular the provisions of the agreement concerning the procedure for certification of aeronautical products and its implementation procedures (Annex A & TIP) and the procedure for maintenance of aeronautical products and its implementation procedures (Annex B & MIP) will be presented. **Participation:** Taking into account space availability and fair representation of all stakeholders, EASA reserves the right to limit the number of delegates per organisation
