

Other Party Supplier Workshop

Date:

10 May 2011

Description**Authorities' staff involved in POA tasks are invited to participate to this Workshop**

The workshop will give Authorities staff involved in POA the opportunity to learn more about the newly introduced AMC for Other Party Supplier Control (Refer to Decision 2010/016/R from 23/12/2010). Specific focus will be given to applying this new AMC to POA holders intending to use other parties participating in the ICOP system.
