

Helicopter Ditching, Water Impact & Survivability Workshop

Date:

05 Dec 2011 to 06 Dec 2011

Location**Hotel Pullman Cologne**

Helenenstraße 14, 50667 Cologne, Germany

[More info](#)

Description

The primary objectives of this workshop are:

- To review the state-of-the-art in helicopter design for water impact, ditching & survivability
 - To exchange ideas and promote best practice
 - To identify weak areas of regulation in order to scope future rulemaking proposed to start in 2012
 - To present results of recent research activities and to identify future research needs.
-
