Date:

07 Dec 2011 to 08 Dec 2011

Location**Hotel Pullman Cologne**

Helenenstraße 14, 50667 Cologne, Germany

[More info](#)

Description

The highly successful EASA Rotorcraft Symposium is back for another year. It will be held on 7th & 8th December 2011 in Cologne. Over the last 4 years, this conference has grown in popularity and attendance. It has become a regular forum for the worldwide rotorcraft community, where topics of common interest in the rotary wings world are presented and discussed, aiming at updating participants, and getting their feedback on industry and authority initiatives concerning operational, design, manufacturing and regulatory matters with the common scope of fostering safety.

Additionally, we would like to inform you that a dedicated workshop on Helicopter Ditching, Water Impact & Survivability will be held just prior to the EASA Rotorcraft Symposium on 5th & 6th December here in Cologne. For more information click [here](#)
