

AERO Friedrichshafen

Date:

18 Apr 2012 to 21 Apr 2012

Description

AERO, the global show for General Aviation, is celebrating its 20th anniversary this year. EASA will again be present with a stand in Hall A5, stand number 300. A press briefing as well as get-together for visitors and stakeholders has been organised on 18th April. Experts from EASA will be available during fair to answer questions regarding FCL, Part M, LSA Certification and general GA related topics.
