Description

Meeting Room 04.049

- Starting 09h00
- Ending 17h00

Following the publication of the second edition of the [European Aviation Safety Plan \(EASp\)](#) at the beginning of the year detailing the actions for the period 2012-2015, it has been decided to organise a summit on Tuesday 29th May 2012. During this one day activity we will together evaluate how the EASp is being implemented in the Member States as well as in which ways we could improve the approach to better coordinate our efforts; hence making a difference in the way we manage safety in aviation. **This event is targeted at Member States.**
