close to EASA Offices at Köln-Triangle

[More info on the EASA offices](#)

Description

Participation limited to EASA and National Aviation Authorities staff only (60 persons maximum). The workshop will give participants an update on EASA Design Organisation (DO) Section internal working procedures. It will also specifically focus on several subjects of significance to be shared equally between Authorities staff and EASA staff working in a DO environment.

The format of the workshop (planned in 1 day and half) will allow the participants to have more time for discussions and questions and answers. Only Authorities staff involved in DO tasks are invited to participate to this Workshop.
