

Workshop on Risk-based Oversight Methods

Date:

27 Jun 2013

Location

Ottoplatz 1, 50679

close to EASA Offices at Köln-Triangle

[More info on the EASA offices](#)

Description

For directions to the Agency and hotel accommodation in Cologne please also consult [this page](#)

The purpose of the workshop is to build a common understanding on how Performance Based Oversight should be put in place and performed by Competent Authorities and, particularly, to discuss how methods established by the single Authorities will be assessed during standardisation activities. It is open to National Aviation Authorities' and Member States' representatives only.
