

FAQs:

[Opportunities for graduates](#), [Recruitment](#)

Question:

Which type of University diploma is taken into account for the Graduate Programmes?

Answer:

In order to be eligible for the programmes, you must have obtained a University degree which corresponds to at least 3 years of University education (e.g. Bachelor).

The University degree to be obtained in the specific period indicated in the job posting shall be relevant to the profile and it can be any academic degree (e.g. Bachelor, Master, and PhD).
