

European Union Aviation Safety Agency

FAQ n.116523

FAQs:

[I would like to know about the light UAS operator certificate \(LUC\)](#), [Specific category](#), [Drones \(UAS\)](#), [Regulations](#)

Question:

Who can apply for a LUC?

Answer:

You need to be an organisation to be eligible to apply for a LUC, however you can subcontract some of the activities.

Regulatory reference: UAS.LUC.010.
