

European Union Aviation Safety Agency

## FAQ n.116524

### FAQs:

[I would like to know about the light UAS operator certificate \(LUC\)](#), [Specific category](#), [Drones \(UAS\)](#), [Regulations](#)

### Question:

**How long is a LUC valid?**

### Answer:

The validity of a LUC is unlimited as long as the organisation remains compliant with the LUC's requirements. An LUC can be revoked or surrendered.

*Regulatory reference: UASE.LUC.080 of EU regulation 2019/947.*
