

European Union Aviation Safety Agency

## FAQ n.19231

### FAQs:

[Doing business with EASA, The Agency](#)

### Question:

**My company wishes to sell its products and services to EASA. What should I do?**

### Answer:

Being a European Community agency, the Agency works with strict financial procedures with regard to procurement of services and products. Please check the [Procurement](#) page, where Calls for Tender are published.
