

EUROPEAN AVIATION SAFETY AGENCY

This table is for information purposes only, and it is obtained from data provided to the Agency by the EU Member States and EFTA States. The Agency accepts no responsibility or liability whatsoever with regard to the content of the table, the accuracy of the data provided by the EU Member States and EFTA States, their timely delivery, or for any actions resulting from the use of the information contained within. Consequently, the Agency shall not be liable for any kind of damages or other claims or demands incurred as a result of incorrect, insufficient or invalid data, or arising out of or in connection with the use, copying, or display of the content.

This table is not the final version and will be updated regularly. Any question related to the implementation of the Aircrew Regulation should be clarified with the National Aviation Authority.
