

European Union Aviation Safety Agency

## FAQ n.128374

### FAQs:

[What I need to care about: "At all times", Passenger Health Safety - COVID-19, Passengers](#)

### Question:

**I am fully vaccinated, do I need to comply with preventive measures from airlines and airports?**

### Answer:

Yes, all passengers should follow and observe the COVID-19 protocol, even if you are fully vaccinated. This will help all of us to stay safe during travelling.
