

European Union Aviation Safety Agency

FAQ n.45478

FAQs:

[Air Operations for GA, General Aviation](#)

Question:

What does Part-NCO mean for GA pilots? Can I share flying costs between my friends, are there restrictions covering carrying dangerous goods in GA flights, when do I need to use supplemental oxygen and can I perform special operations (e.g. aerial advertisement).

Answer:

See [Flying in the EU OPS leaflet](#).
