NOVEL DESIGN FOR NON- INSTALLED ETSO EQUIPMENT

Andrei BADEA

DOATL&PCM ETSO

Certification Path

Novel Installed Equipment

Equipment not part of TC definition

How can equipment carried on board be certified while containing novel design features?

Certification cannot be achieved at A/C level making use of Special Conditions as items are carried on board and not part of the TC definition

Examples of mechanical non-installed equipment:

- Trolleys
- Cargo containers
- Immersion suits
- Constant wear life jackets

Possible Certification Path

Novel Non-Installed Equipment
