Description

The European Union Aviation Safety Agency (EASA) organises this Workshop on the ATM/ANS Equipment Conformity Attestation framework, which was recently established by Regulations (EU) 2023/1768 and (EU) 2023/1769.

The Workshop objectives are to present:

the Certification framework, the related EASA processes from the application to the release of the certificate, the expectations of the Design or Production Organisation (DPO) life cycle data and the related processes;
the registration of the Declaration of Design Compliance, the expectations of the DPO life cycle data and the related processes; and
the status of the ongoing rulemaking tasks RMT.0743 and RMT.0744.

The target participants are certification/declaration personnel of approved ATM DPOs or future DPOs. Stakeholders from Air Navigation Service Providers (ANSPs) and National Competent Authorities (NCAs) are also welcome. Participation fees for catering will be requested at the time of registration.
