SORA Workshop (February 2023) - 1 Introduction

SORA Workshop (February 2023) - 2 SORA

SORA Workshop (February 2023) - 3 Ops Manual LBA

SORA Workshop (February 2023) - 4 Summary of changes_SORA

Description

This workshop is open to industry and authorities, to have an overview of the specific operations risk assessment (SORA) methodology. Moreover the new JARUS SORA 2.5 will be soon published for public consultation on the JARUS website (planned by end of 2022). During this event a summary of the changes that will be introduced in SORA 2.5 will be shown. The workshop will also be a unique opportunity to ask questions and provide feedback to whom has been directly involved in the development of SORA 2.5.

Submit your questions before the event
Go to Sli.do use the code #SORA2023 and use the following passcode: bvwlnb
