

## FAQ n.136908

#### FAQs:

Aircrew training and licensing — Restrictive measures Russia, EU restrictive measures against Russia

### **Question:**

Do the same principles apply to balloon and sailplane pilot training, testing, and checking (e.g. Russian citizens, training sites, etc.) in accordance with Regulations (EU) 2018/395 and (EU) 2018/1976 as to training, testing and checking in accordance with Regulation (EU) No 1178/2011?

#### **Answer:**

Yes. Regulation (EU) No 833/2014 does not differentiate between the different types of aircraft. Therefore, balloon and sailplane pilot licensing should be treated in the same manner as pilot licensing for any other aircraft.
