

**FAQs:**[Medical, Regulations](#)**Question:****Who can perform the Class 2 and LAPL aero-medical examination?****Answer:**

All Class 2 and LAPL aero-medical examination can be performed by any AeMC or AME authorized to perform aero-medical examinations for aircrew. In addition to that, subject to national provisions, LAPL aero-medical examinations may be performed by General Medical Practitioners (GMPs). For more details, please refer to the website of the competent authority of a Member State where you are planning to apply. Usually competent authorities publish a list of the authorised AeMCs and AMEs including information whether GMPs are allowed to perform aero-medical examinations for LAPL applicants. The list of Member States and the websites of their competent authorities can be found on our website under '[EASA by Country](#)'.
