

FAQ n.119322**FAQs:**

Part-145: General, Part-145, Continuing Airworthiness, Regulations

Question:

How to easily update the “EASA Form 1 - MF/145 Issue 2” to “EASA Form 1 - MF/CAO/145 Issue 3”?

Answer:**Purpose of the FAQ**

This FAQ is intended to recommend the industry and national competent authority (NCA) an easy way to implement the ‘EASA Form 1 Issue 3’, applicable from 24.03.2020, by the Maintenance organisations.

Description of the issue

The Regulation (EU) 2019/1383 updated the Appendix II to Annex I (Part-M) — Authorised Release Certificate — EASA Form 1 by changing the footer of the form in order to add the reference of the Part-CAO.

Some organisations may still have in stock hardcopies of EASA Form 1 Issue 2.

In such case, due to the fact that there is no change in the content of the EASA Form 1 or/and in its completion methodology, for the Part-145 and Part-M, Subpart F approved organisations, the change can be done by:

- crossing out the footer in an ‘EASA Form 1 - MF/145 Issue 2’ and replacing it by ‘EASA Form 1 - MF/CAO/145 Issue 3’; or
- accompanying the Form 1 with a communication explaining that the footer should be read as ‘EASA Form 1 - MF/CAO/145 Issue 3’ in accordance with the MOE/MOM procedure; or
- by other means acceptable to the NCA.
