

FAQs:[Website](#)**Question:**

How to unsubscribe from the EASA website email and/or push notifications?

Answer:

Follow the steps below to unsubscribe:

1. [Login to your account](#)
2. Click on your name on the top right and select “Manage personalisation settings”
3. Afterwards click “Disable all email notifications” and/or “Disable all push notifications”

Manage personalisation settings

Categories of your interest and decide if you want to receive an email and/or notification. You can decide if we send you an immediate email or a monthly email digest.
