VFR into IMC for Rotorcraft - An evening with Claude Vuichard

online event

Organised by: EASA

Date:

16 Dec 2021

Description

Date & time

16/12/2021, 17:00 - 19:00 CET (UTC +1)

Description

Join EASA's Together4Safety and ESPN-R for an evening with Claude Vuichard. You will get to watch the premiere of the new safety promotion video with Claude and VRM Switzerland and Air Zermatt on VFR into IMC, one of the most important safety challenges for helicopter pilots. Learn practical ways to save yourself getting into challenging situations in the first place and how to save yourself to fly another day.
