Aerodromes Technical Body (ADR.TEB) Implementation Workshop "Challenges encountered by NCAs/ADRs and solutions"

Online

Organised by: EASA

Event Type: Workshop

Date:

04 May 2022

11:00 - 16:30 CET (UTC+2)

Description

Description

The Aerodromes Implementation Workshop is a follow-up of the last ADR.TEB meeting (ADR.TEB 02-2021) and it is open to nominated Aerodromes Technical Body (ADR.TEB) members/experts only. The objective is to share good practices and challenges and to agree on possible ways forward related to authority activities in the Aerodromes domain.

Registration

On invitation only.
