Question:

Is it possible to grant a Part-147 approval to a training organisation which intend to conduct only basic knowledge examinations?

Answer:

No, a Part-147 approval can only be granted to an organisation which can prove its capability to conduct training and examinations on a complete syllabus of at least one (sub)category of the Part-66 licence. Only in the case the organisation holds the approval for the complete basic training course, it may conduct basic examinations not being an integral part of the approved basic training course.
