FAQ n.19273

FAQs:

Graduate Traineeship Programme and Study Placement Scheme, Recruitment

Question:

What language should I use in my application for the Graduate Traineeship Programme or Study Placement Scheme?

Answer:

The working language of EASA is English and therefore, a very good knowledge of the English language is an essential requirement to do a Traineeship Programme or a Study Placement at EASA. Applications must therefore be submitted in English. For the same reason, the documents concerning traineeships and study placements at EASA are only available in English.
