Graduate Traineeship Programme and Study Placement Scheme, Recruitment

Question:

Does EASA cover the cost of travel from my place of residence to Cologne?

Answer:**Graduate Traineeship Programme:**

Trainees are entitled to a contribution towards the cost of travel between their place of residence and their place of traineeship (Cologne) at the beginning and end of their traineeship if they have completed at least a 3 months traineeship. Travel allowances are paid at the end of the traineeship.

Study Placement Scheme:

All expenses incurred during the study placement (e.g. travel from/to place of origin) are to be covered by the student. No financial contribution is granted by the Agency.

quired only in the case of non-EU languages).
