

FAQ n.21305

FAQs:

Performance-based Navigation applicability, Aircrew, Regulations

Question:

On which learning objectives will my theoretical knowledge training and exam for the instrument rating be based?

Answer:

Until the 25 August 2018 all training courses follow the published learning objectives without PBN requirements. After this date Commission Regulation (EU) No 2016/539 applies and the IR training courses shall contain also the PBN elements.
