Question:

What should be assessed and/or examined in relation to conversion training? When are the assessments/examinations to take place and who can conduct the assessments?

Answer:

The conversion training courses shall include the determination of the examination and/or assessment methods. The examination and/or assessment should take place during the conversion training course or at least before the ATCOs exercise the privileges of their licences in the changed operational environment. Examinations and assessments should be conducted by appropriately qualified personnel having detailed knowledge of the training objectives and the subjects, topics and subtopics being examined or assessed.
