

## FAQ n.22065

### FAQs:

Validation of FAA STCs classified as Basic and limited to one serial number, General Aviation

### Question:

**What document do I receive?**

### Answer:

The application form FO.CERT.00134, “EASA validation of FAA Supplemental Type Certificate classified as Basic and limited to one serial number” contains on page 3 the EASA statement and approval number which will be signed, dated and stamped.

The statement below is proof of EASA validation. Please place this page in the aircraft log.

<b>6. EASA Statement</b> - To be filled in <b>only</b> by the European Union Aviation Safety Agency		
The FAA Supplemental Type Certificate specified in section 3 is classified as Basic and hereby validated for the aircraft identified in section 4. This validation is limited to the serial number under 4.1.		
<b>EASA Approval Number</b>		
Date	Name	EASA Signature
