Question:

Split duty CS FTL.1.220 (b): Are the 30 minutes for post and pre-flight duties as well as travelling counted in total or 30 min for post flight duties, 30 min for travelling after post flight duties, 30 min for travelling before pre-flight duties and 30 min for pre-flight duties?

Answer:

CS FTL.1.220 (b) instructs the operator to specify actual times for post and preflight duties and for travelling in its operations manual. The minimum for the total is 30 minutes.

The operator must demonstrate how travelling in both directions, and post and preflight duties are accomplished in the time defined in the OM.
