

FAQ n.99723**FAQs:**

Aerodromes, Aerodromes (ADR), Regulations

Question:

ADR.12 Is it true that EASA will soon be publishing common rules for groundhandling providers and groundhandling services?

Answer:

The new Basic Regulation ((EU) 2018/1139), under its articles 33 and 37, gives the Agency responsibility for the rulemaking for this area. Due to ground safety being also a significant safety issue showing up in safety data, the area has priority over other new responsibilities. The associated rulemaking task is RMT.0728. It was already kicked off in 2018 and is reflected in the EPAS of 2019. The involvement of the relevant stakeholders is, as always, taken very seriously by the Agency.
