

FAQ n.19546

FAQs:

Applicability, Third Country Operators (TCO), Regulations

Question:

We are a U.S. 14 CFR Part 91 operator. Are we subject to a TCO authorisation?

Answer:

For operations performed strictly within the classification of Part-91, EASA does not require an authorisation under Part-TCO. These flights shall be designated a non-commercial (General Aviation) flight in the ATS flight plan.
