Question:

Is UPRT also be mandatory for the LAPL and the PPL?

Answer:

UPRT, as introduced into Part-FCL with amending Regulation (EU) 2018/1974, is not applicable to LAPL or PPL training.

However, to address the fact that loss of control in-flight is still a major issue in general aviation, the requirements and associated AMC applicable to training flights for revalidation of SEP and TMG class ratings/privileges are planned to be revised to outline the necessity for these training flights to cover emergency procedures (such as different stall scenarios).
