## FAQs:

ATM Basics, Air Traffic Management (ATM) / Air Navigation Services (ANS), Regulations

# **Question:**

What is the 'Cover Regulation'?

#### **Answer:**

Reference: Regulation (EU) No 2017/373

The Cover Regulation includes the first 10 articles of the referenced Regulation, which:

- explain the principles and considerations of the legislator when adopting the regulation (the 'whereas' clauses);
- define the regulation's objective and scope including to whom/what the regulation and its annexes apply;
- establish the applicability and enter into force dates, including any grandfathering and transition measures for the adaptation to the new rules.
