## **WP 4: Competency Development: Workshop on State Safety Programme (SSP)**

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a workshop on the State Safety Programme was delivered in Yerevan from 29 to 30 October 2019. The workshop was attended by 20 participants from all Civil Aviation Committee departments, including HR and Legal.

The objective of this workshop was to promote a management system approach to SSP implementation with a view to secure engagement of senior managers for SSP implementation in Armenia. This entailed discussing the benefits of safety risk management at State level, presenting critical success factors, as well as principles for risk and performance based resource targeting and action planning at state level.
