

EASA Certification Information

No.: 2021-31

Issued: 09 November 2021

Subject: Name change of Type Certificate EASA.A.096 from 328 Support Services GmbH to Deutsche Aircraft GmbH

Type Certificate No: EASA.A.096

Product: Large Aeroplanes

Issued by: European Union Aviation Safety Agency

Former Holder of the Certificate: 328 Support Services GmbH
Sonderflughafen Oberpfaffenhofen
D-82234 Wessling
Germany

New Holder of the Certificate: Deutsche Aircraft GmbH
Sonderflughafen Oberpfaffenhofen
D-82234 Wessling
Germany

Background: 328 Support Services GmbH has made an application for a name change to DOA EASA.21J.438.

Consequently, EASA has accepted the name change and re-issued the Type Certificate EASA.A.096.

All Airworthiness Directives (ADs) related to these products are still applicable unless replaced or cancelled.

Contact: Any request, query or comment should be sent, no later than 9th December, 2021, to:
