

EASA

European Aviation Safety Agency

AWO

Consultation Workshop 2016

Chaouki CHABBI

Deputy Head of Aircrew & Medical Department

Cologne, 11 November 2016

Your safety is our mission.

An agency of the European Union

Thank you

- For your time
- Active contribution
- Valuable input
- Support
- Sharing your thoughts

Important milestone
of the AWO project

It is not the end of the process

Your support / contribution is still needed

Areas where feedback can still improve the AWO project

AW	Air OPS	Aircrew	ADR	ATM/ ANS	H
Assessment of regulatory actions					
Common reference document					
cluster aircraft	cluster Air OPS		cluster ATM/ANS/ADR		cluster H
CS AWO	R965	R1178	R139	R1034 R1035 R923	various

Not to forget → ATS

14
SEP
2016

NPA 2016-09(A)

Requirements for air traffic services

Expiration date for comments: 16/01/2017

Extended date for comments: 28/02/2017

AWO → Air Traffic Services

Documents that can still benefit from feedback

- Description of the Operations (DoOs)
- Explanatory Note (EN)
- Regulatory Impact Assessment (RIA)
- Changes to the Implementing Rules (IRs)

Conclusion

➤ Very productive

➤ Important step

➤ Not the last step

➤ Need to for more attention to
cross domain aspects and
interfaces
(Strengthening global coherence)
