TF3 Purpose

- To simplify and clarify the Part 21 DOA related requirements applicable to the DOA applicants/holders (*typically in Part 21 Section A within Subparts A, B, D, E, J, K, M, O, P, Q*)
- To maximize the flexibility and the adaptations in their implementation by transferring parts of requirements (hard law) to the AMC/GM (soft law) for the benefit of both the EASA and European Industry.

Part 21 change proposals

All requirements and associated AMC/Gm in Part 21 Subparts A, B, D, E, J, K, M, O, P and Q have been reviewed.

79 comments and proposals for change have been drafted, including:

- ✓ minor/major criteria for classification of ALS changes
- ✓ Simplification of Type Design definition
- ✓ clarification/rationalisation of various requirements on record keeping, Manuals and ICAs
- ✓ Clarification on ICAs versus Type Certificate changes
- ✓ etc....

All details in attached table.

Status

1/ Toward ASD:

information of the ASD DOA WG & Airworthiness Committee:

- ✓ via emails, DOA WG & AWC meetings in Q1/2015

2/ Toward EASA:

- ✓ Introduction of the ASD TF3 activities to the EASA DO Manager on 06 May 2015.
- ✓ EASA focal point to interface with ASD DOA TF3 appointed: Per Dahmen
- ✓ Hand over of the TF3 proposals to EASA DO manager and TF3 focal point on 08 Oct. 2015

Aerospace and Defence
Industries Association of Europe

Way Forward

Review of ASD DOA TF3 proposals to be done via the EASA focal point (*internal reviews within EASA + discussions with the ASD DOA TF3 representatives*):

- in the frame of LOI NPA 2* (AMC/GM to LOI concept)
- In the frame of OSD NPA 2* (AMC/GM)
- In the frame SMS NPA1* (rules)

**Note: Purpose being not to impact current activities on LOI NPA1.*
