2019 review visit by EASA in the field of initial airworthiness (focus General aviation)

From 14 to 16 May 2019 EASA conducted a review visit to the State Aviation Administration of Ukraine (SAAU) and the Ukrainian industry (Skyeton) to verify the progress made in the implementation of the actions listed in the Convergence Document. The visit also addressed the verification of the current levels of EU-based rule implementation in the field of general aviation.

The visit was held in an open atmosphere.
