**WP 4: Competency Development:
“Flight Operations Inspector (FOI) Training Course”**

Within the technical activities related to “WP4 – Competence development” of the Eastern Partnership and Central Asia Project (EaP/CA), a ten day FOI training course was conducted in Odessa, Ukraine from 21st May to 1st June 2018. Six participants from four EaP states took part in the session.

This course provided the participants with the core knowledge and competencies required to understand the process of compliance with EASA rules with regard to Commercial Air Transport (CAT) Operations.

A large volume of knowledge and material was presented during the two weeks, which the participants now have to assimilate and apply in their own working environments.

This project is funded by the European Union
