## WP 0: Project Management / Steering

### First Project Steering Committee (PSC)

Within the framework of the EU-funded EASA - IPA4 project, the Agency was very pleased to welcome the beneficiaries of this project to the “First Project Steering Committee” which was held in EASA headquarters in Cologne on 29 November 2018.

The Committee took stock of the progress made within the three Work Packages addressing Safety Management System, Safety analysis and occurrence reporting as well as Competency development. The working paper covering aviation safety activities carried out under the different Work Packages were presented and a work programme for the coming implementation period agreed.

In total 6 representatives of aviation administrations from all the Western Balkan countries attended the event.
