# Specific approvals for non-EU registered aircraft

- **A non-EU State of Registry may have issued specific approvals for**
  - RVSM
  - MNPS
  - PBN
- **In these cases, Part-SPA does not apply for these specific approvals**
- **However, the competent authority (within the EU) should assess that the (non-EU) State of Registry has established an equivalent level of safety**

# Upcoming amendments to ICAO Annex 6

## ➤ Upcoming amendments to Annex 6 Part II

- A new ICAO standard will require the list of specific approvals for non-commercial operations – as already established in Europe
- The ICAO list of specific approvals should include the same approval items as the European regulation
- Changes to European rules required as to the list of approvals issued by the non-EU State of Registry – to be prepared by ongoing RMT.0379 (AWO)
