

Electric & Hybrid Aviation Project

Session: Flight Standards

Topic : Introduction

Presenter : Yves Morier

Questions and Answers

30 minutes!

Scope:

- Welcome
- State of play new technologies in Flight Standards
- Organisation of the session

General Update on Flight Standards

- Two streams of work:
 - High level rulemaking to resolve in a structural manner the approach to new technologies:
 - Champion Michael Gerhard (CT)
 - Review as a priority the identified gaps and barriers and develop solutions
 - Technical work necessary to support both the possible use of article 71 (3) and the high level rulemaking
- Flight Standards setting-up internal projects to identify gaps and barriers
- General coordination:
 - Gernot Kessler/ Yves Morier

General Update on Flight Standards
