Informative session on General Aviation Roadmap

On 17 May 2019, EASA delivered an Informative session on the General Aviation (GA) Roadmap. The objective was to provide an overview of the activities put in place and planned for the future by EASA in the frame of its GA roadmap. The topics covered the EU regulatory landscape, General Aviation Roadmap motivation and problem, the approach followed by the Roadmap, an overview of the First Phase (GA Roadmap 1.0), including achievements, Safety Promotion and Communication, as well as the new GA Roadmap 2.0.

Altogether 24 participants from SAAU and Ukrainian industry attended the session.
