## **Work package 2**

### **Safety Oversight System – Follow-up Republic of Armenia**

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), on-site support to Armenia was provided during the first half of 2019 to continue strengthening the organisational structure (safety oversight system) within country's State Civil Aviation Authority (Civil Aviation Committee of the Republic of Armenia, CAC).

That by means of implementation of the tailor-made activities stemming from the Final Report/results of comprehensive evaluation of CAC's safety oversight system.

The follow-up actions could be finalized in July 2019 with the aim to support in drafting new Organisational Chart and Management System Manual as well as the establishment of an Internal Quality/Auditing System and a Compliance Monitoring function.
