

## EASA Certification Information

**No.:** 2010 - 03  
**Issued:** 10 March 2010

**Subject:** Issuance of EASA Type Certificates covering the ALOUETTE ASTAZOU and ALOUETTE III helicopters. Withdrawal of ALOUETTE II models.

**Type Certificate No:** EASA.R.123 and EASA.R.124

**Issue date:** TC EASA.R.123 27 January 2010  
TC EASA.R.124 27 January 2010

**Holder of the Certificate:** EUROCOPTER

**Background:** EASA has issued TC EASA.R.123 for the SE 3160, SA316B, SA 316C, SA 319B and SA 315B ALOUETTE III and ALOUETTE III LAMA helicopters, originally under DGAC France TC No. 14.

The Agency has also issued TC EASA.R.124 for the SA 3180, SA 318B and SA 318C ALOUETTE ASTAZOU helicopters, originally under DGAC France TC No. 1.

The SE 3130 and SE 313B ALOUETTE II models that are included in the DGAC France TC No. 1 have not been incorporated into the EASA TC as these models are deemed to fall under the scope of Annex II of Regulation (EC) No 216/2008.
