

EASA Certification Information

No.: 2013-08
Issued: 02 August 2013

Subject: Request by Aupa Dyn'Aero to surrender the Type Certificate EASA.A.369 and EASA.A.370 for the CAP 20 and CAP 10 aeroplanes

Type Certificate No: EASA.A.369, issued 18th of November 2010
EASA.A.370, issued 28th of September 2010

Issued by: European Aviation Safety Agency

Type Certificate Holder: Aupa Dyn'Aero

Background: The current holder of EASA Type Certificates (TC) EASA.A.369 and EASA.A.370 has requested to surrender its Type Certificates to EASA.

EASA hereby asks you to communicate the aforementioned request to any natural or legal person to whom this surrender could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility, no later than the 15th of September 2013, of commenting on the above and/or of expressing their will to take over the ownership of the Type Certificates following its surrender. Transfer of the Type Certificates requires that the new owner demonstrate competence to fulfil the necessary obligations of a Type Certificate Holder in accordance with the applicable rules.

A list of the individuals directly concerned and other possible interested persons should be sent to EASA.

After satisfactory evaluation of the surrender request, taking into account the comments received, EASA will accept the request and take the decision to revoke or transfer the Type Certificates in accordance with the applicable administrative procedures.

Contact: Any request, query or comment should be sent, no later than the 15th of September 2013, to:
